

## Healthy Wishes from your Chairman

I am delighted to support Barrow's Health & Wellness Expo 2017, because we know that health and wellness is so critical to the overall performance of our employees. Happy, healthy employees = healthy businesses.

Did you know that diabetes is the second most critical health issue facing Barrow County? Events like this allow us to collaborate in sharing the many resources our community offers in the area of wellness and nutrition. Let's give diabetes a run for its money Barrow County!

This year we have a stimulating line-up of events, so bring your employees, friends and anyone else that you want to introduce to our community resources. They will be happy that you asked them.

As more focus is placed on parks, outdoor recreation, healthy cooking, and fresh farm to table programs, I can't think of a better time for us all to join together for this year's Health and Wellness Expo 2017.

Looking forward to seeing you and your employees there!

*Michelle Yawn*

## Information

The Barrow County Chamber of Commerce Health & Wellness Expo 2017 will kick off Thursday, August 17th, 11:00 am-3:00 pm. Chamber members and Exhibitors are open to network and build Business to Business relationships from 9:00-11:00 am. The Expo will open to the general public from 11:00 am-3:00 pm. Deadline to register for sponsorship levels is June 30. Exhibitor deadline will be July 29. Please note no refunds after August 1st.

The Expo is a benefit for our Chamber members. This once a year opportunity allows over 45 exhibitors to showcase their business under one roof.

If you have any questions about Barrow's Health & Wellness Expo please feel free to contact Missy Milner: 770-867-9444
